# Things you need to know

This guide has been prepared to help you plan your journey to school. It contains a general overview of the services that operate to and from Hampton Senior High School.

Each service in this brochure is accurate as at the date on the cover, however, as changes are made to school services throughout the year, we recommend you plan your journey before travelling.

There are a number of timetabled routes to get you to and from Hampton Senior High School: routes 352, 353, 354 and 356 all travel there.

## Planning your journey

While this guide will show you where all the services operate, to find out when they operate you will need to plan your journey.

The best way to do that is by using the online JourneyPlanner or download the Transperth app.

If you are planning your journey in the school holidays, don't forget to change the date on the JourneyPlanner to a school day.

If you are planning your journey at the start of the year, wait until two weeks before school starts for the most accurate results as we change services at the beginning of each year.

## Tracking your bus

You can use the Transperth app to track your bus or train in real time and see when it is due to arrive.

Scan the QR code to download the Transperth app.

## Travelling with a Student SmartRider

All high school students are entitled to a Student SmartRider which gives you access to free travel when travelling to school. The free travel is available on any trip Monday to Friday during the school year. You can continue to use your Student SmartRider outside of these times, however you will be charged the concession fare.

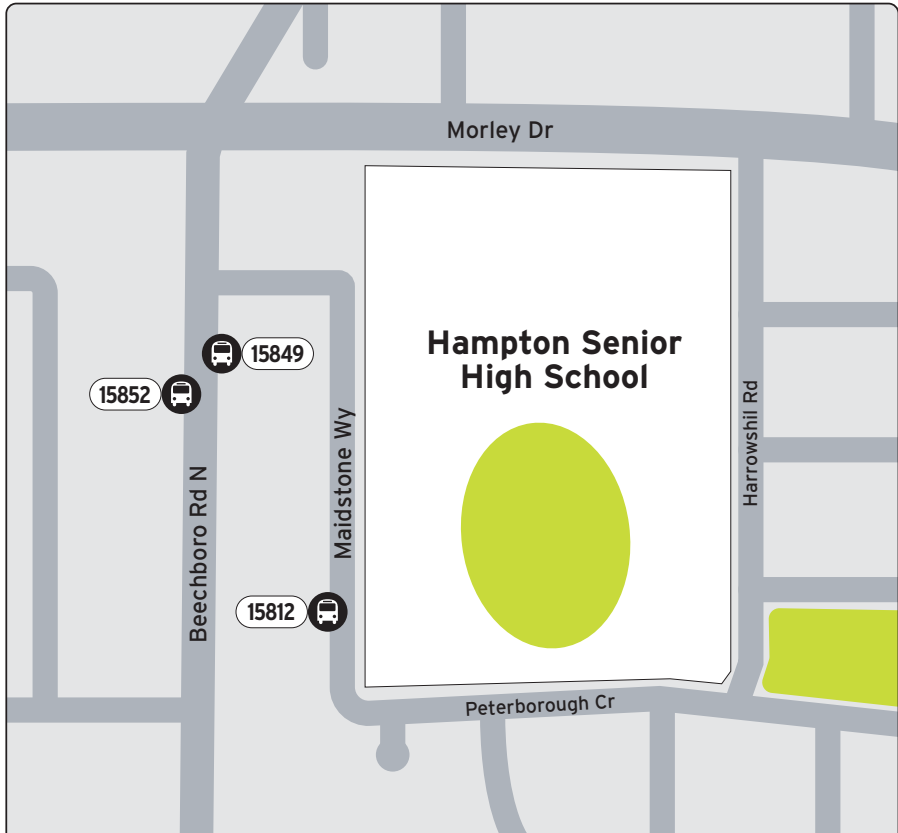

The free travel is only available if you have a Student SmartRider. If you don't have one or you forget your card you will need to purchase a concession cash ticket.

## Need a Student SmartRider?

SmartRiders are issued by the school at the beginning of the school year. If you need to order a replacement card, just visit [smartrider.monitorwa.com.au](http://smartrider.monitorwa.com.au)
