Dear Parents and Carers

I acknowledge that there may be concerns among parents about a teacher at our school who has been identified in relation to a historical matter at a non-government school.

I can assure you that the safety and wellbeing of our students is always of primary importance and priority.

The State Administrative Tribunal considered the conduct of this teacher several years ago and deemed him suitable for employment at a school from October 2022.

Please note the staff member will not return to the school in 2025.

Should you have any concerns on this matter, please email me at hampton.shs@education.wa.edu.au

I would like to take this opportunity to wish all families a safe and enjoyable school holiday period.

Tracy Griffiths
Principal
